Celebrating 22 years in 2017!

“Challenging Environmental Education”

2017 Delaware Envirothon

The Envirothon is an environmental program and competition for high school age students (grades 9-12). Combining in-class or after school curriculum, and hands-on training, the Delaware Envirothon enhances student’s practical knowledge and application of environmental science. Some program highlights include:

- ◆ College Scholarships and Cash Awards
- ◆ Career Exposure
- ◆ Current Environmental Issues
- ◆ Collaborative Learning Experience
- ◆ Problem Solving
- ◆ Public Speaking Skills
- ◆ Teacher Credit Hours through the Delaware Teacher Center
- ◆ Hands-on Workshops—these hands-on workshops are scheduled for October 22 (Soils and Forestry), November 12 (Agricultural Soil and Water Conservation Stewardship and Aquatic Ecology), and January 21, 2017 (Air Quality, and Wildlife) with a snow date of February 4.
- ◆ Winning team attends the North American Envirothon at Mount St. Mary’s University in Emmitsburg, MD late July 2017.

Charter School of Wilmington Team B won the 2016 Delaware Envirothon on April 28, 2016. The event was held at Brecknock Park in Camden, DE. They placed 18th at the North American Envirothon in Canada.

Areas of study

- Aquatic Ecology
- Forestry
- Soils / Land Use
- Wildlife
- Current Issue — Agricultural BMP’s
- Oral Presentation
- Air Quality
